Detailed description: The image shows a navigation device screen for 'STELLA EVO'. The screen displays a large circular arrow icon with a black triangle pointing towards the top-right, indicating the direction to the waypoint. To the right of the icon, the text '026 K27S' is shown at the top, '512' in the middle, and '320°' in large font at the bottom. To the right of the '320°' is the text '026.82'. At the bottom of the screen, there are three buttons: a red button with a white exclamation mark, a green button with 'OK', and a blue button with a white car icon and signal waves. On the left side of the screen, the number '0000' is visible vertically. The device has a black bezel with blue accents. Red lines connect the text labels to the corresponding elements on the screen.
